RHS's Kickin Redskins is the official school team for the second year. They have, by far, improved since last year. Their record was a respectable 5-7. The soccer team encourages everyone to come out and see them in action next year. We need to support our great soccer team.

VARSITY CHEERLEADERS POINT THE WAY WITH PRIDE

Always in the forefront, always promoting the Skins and always the epitome of "The True Redskin Spirit," the Varsity cheerleaders were joined this year by four young men following the football season.

The cheerleaders spent part of the summer at camp where they distinguished themselves by winning the Spirit Stick. Ms. Joiner replaced Mrs. Berger as sponsor after the season started and became another faculty member who added long hours to her schedule and traveled many miles in her car in support of the Rickards Redskins teams.

SENIOR REDSKINS!

1984 ANUMPA EDITORS

Mary Ellen Harrell
Editor-in-Chief

Putting a yearbook together, and hoping to please everyone in the process, is a hard task. It involves untold long hours and attention to all kinds of details. It also involves working with fellow staffers, the administration and all of the teaching faculty.

Along the way there have been moments of frustration and panic when pictures suddenly came up missing . . . and then found again, layouts suddenly refusing to work (and just as suddenly, deciding to work again) and of course there were the ever present deadlines that refused to move even if we ". . . just need another couple of days . . ."

All-in-all, it's been a good solid experience. We've made a number of design changes and improved the book a great deal. We hope you are as pleased with it as we are.

We'd like to take a few moments to say thank you to everyone ". . . who helped us build our dreams . . ." Without everyone's help and assistance this year's Anumpa would not only have been difficult but impossible. So, thank you teachers, thank you Redskins, thank you Section Editors, Thank you staffers, thank you, photographers, thank you Mr. and Mrs. Mayer (our Taylor Representatives) and, last but not least, thank you, Mr. Harwood.
